

Membership Agreement 2024-25

Membership in the Richmond Hill Middle School Orchestra comes with a responsibility for both the student and their parent/guardian. Participating in the orchestra is a year-long commitment. Great sacrifices must be made to create an enjoyable experience for each and every member of the orchestra program. Each orchestra member is held to a high standard, and the expectations only exemplify the professional atmosphere expected from each student.

Although the Bryan County School Board and Richmond Hill Middle School Administration provide financial support to our program, there are times when fundraising for events, additional equipment/instruments, and supplies may be necessary. Your student's commitment to our fundraising efforts is expected. By signing this agreement, you acknowledge an annual fee of \$50 for new members and \$20 for returning members.

I understand that the orchestra website contains all supported program documents, including, but not limited to, the class syllabus, pacing guides, and program handbook. I will read these documents with my student(s).

As a parent/guardian of a member of the Richmond Hill Middle School Orchestra Program, I sign this form with the understanding that all rehearsals, performances, and assigned events are mandatory and will make every effort to ensure my child will attend all functions. I will assist in promoting a positive view of the program and will support each member of the program. I understand that orchestra is a year-long course and commitment. I also understand a failure to commit means that my child's grade may be lowered for missed dates and may be recommended for removal from the program at the director's discretion.
